Welcome to the Canadian Fallen Scholarship

2026-2027

"We Will Remember Them"

Throughout the history of Canada over 120,000 men and women died in the service of Canada during military conflicts. Their names are reflected in the eight Books of Remembrance displayed on Parliament Hill. These courageous individuals who made the ultimate sacrifice are buried in cemeteries across the globe including Canada, Europe, Russia, South Africa, North Africa, India, Burma, Japan, South Korea and Hong Kong. Many have no marked grave, and many were lost at sea.

It is the mission of the Canadian Fallen Scholarship to engage graduating Canadian high school students to commemorate and remember the brave souls who died in the service of the Canadian armed forces, bridging the past with the future, ensuring *"We Will Remember Them"*.

Funded through generous donations to the ***National Wall of Remembrance Association*** (NWORA) the *Canadian Fallen Scholarship*, invites Canada's youth to explore the past by researching the names and personal stories of the men and women whose legacy will be eternally exhibited on the CanadianFallen.ca website.

Each student's memorial research and creative tribute will honour their life, service and sacrifice, bridging the past with future generations, echoing the phrase *"We Will Remember Them".*

Visit CanadianFallen.ca to find out how to submit an entry to share a Canadian Fallen's story.
